DESCRIPTION

The property provides high quality accommodation situated within a traditional office building. The building has been extensively refurbished to a high standard affording an occupier the opportunity to secure impressive accommodation within a prestigious office location.

The subjects, built in 1868, extend over 4 storeys, comprising lower ground, ground, first and attic floors. Built of granite with a timber pitched and slated roof. It has a well maintained garden to the front of the property whilst an extensive car park with 16 spaces is available to the rear.

Internally, the accommodation features a combination of private offices together with larger areas which are effectively of an open plan nature. Double glazed windows are throughout.

The property benefits from exceptional light throughout with artificial lighting predominantly provided through LED light fittings in the majority of the accommodation.

Additionally, the property benefits from full air conditioning, burglar/fire alarms and a secure entry system.
