PROPERTY ACQUISITION, SITE ASSEMBLY REDEVELOPMENT AND LETTING

This project involved the demolition of existing owned multi let industrial units, the purchase of an adjacent site and the development of a new scheme of industrial units on the combined sites.

Units are constructed of varying sizes and feature high performance cladding, roller shutter doors, concrete yards and small offices internally with welfare facilities.

Client: Knight Property Group

Value: £3m | **Contract:** 24 weeks | **Size:** 13,177 ft²
